

# Faithful Leadership

## Emerging Guidance for Changing Times

### With Rodger Nishioka

**Friday, October 17 and Saturday, October 18, 2014**

*What does it take to be faithful leaders in our time?*

*What guidance does our Reformed tradition offer us for being the church today?*

*To help answer those questions, Discipleship and Nurture Ministry Team presents Rodger Nishioka, former staff for youth and young adult ministry in the Presbyterian Church (U.S.A.) and current associate professor of Christian Education at Columbia Theological Seminary. Rodger is one of the most sought after and dynamic speakers in our denomination. Please join us for this important event.*

*The Presbytery of WNY received a generous grant from the Synod of the Northeast, so we can offer this two day event for \$10 per person for one or all of the two day events. We encourage churches to bring teams of leaders.*
